

# INDEX

A cross index of the "major" mergers and acquisitions completed in 1969, as reported in the Rosters contained in Volume 4 of this magazine, follows. The references listed after the names indicate in which issue the transaction was reported. The following legend clarifies the references:

Vol. 4 No. 1	January-February issue
Vol. 4 No. 2	March-April issue
Vol. 4 No. 3	May-June issue
Vol. 4 No. 4	July-August issue
Vol. 4 No. 5	September-October issue
Vol. 4 No. 6	November-December issue

However, the completion date for a deal does not necessarily coincide with the monthly title. For example, a June completion will be reported in the July-August issue.
